**RESPONSE TO OFFICE ACTION FINAL REJECTION AND REQUEST TO
WITHDRAW FINALITY OF ACTION**

MS AF
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is response to the second and final Office Action on the merits mailed on November 18, 2004.

In the Information Disclosure Statement submitted on June 18, 2004, applicant cited, *inter alia* U.S. Patent No. 4,031,200 to Reif. The Examiner now rejects claims 1-28 under 35 USC 102(b) as anticipated by Reif '200.

Applicant respectfully traverses the rejection.

First, the Reif '200 patent is the parent application to a divisional case, U.S. Patent No. 4,069,086 to Reif. Copies of both patents are attached. The relation of these documents is clearly stated on the first page of the '086 patent. By definition, the subject matter of the divisional case is the same as that of the parent case.
